### Fuck Of The Century!!

My partner Nick and I have been together four years now and have a great sex life. We first met in my local wine bar. I was out with my mates drinking and dancing and having a great time. Then I noticed Nick. He kept giving me a lovely, stomach-fluttering look so I went up to him and asked if he wanted a drink.

"Yes please, love!" he said. I spent the whole night talking to him in the wine bar and we had a great laugh together.

I looked down to his trousers and saw he had a big hard-on. He kept saying I was so lovely and sexy, touching my leg under the table at the same time.

When I was going home, a bit drunk, he offered to walk back with me to my place. When we got there I asked him in for a drink of tea or coffee and he said yes. He sat on the settee while I put the kettle on. Then I went into the living room to put some love songs on the hi-fi. I came in with the drinks and sat next to him.

As we talked, he looked into my eyes. He told me I was a lovely, attractive, kind young lady and great fun to be with. He said he fancied me loads and wanted me to be his girl forever.

Then he started to get closer to me, pecking my neck and then snogging me. He put his hand up my skirt and started to rub my juicy wet pussy through my knickers.

I was feeling very relaxed and very horny. I started to undo his trousers and put my hand down his pants. I started rubbing his big hairy cock, which was very stiff. Then he got up and picked me up. He carried me to my bedroom and we started

to take each other's clothes off.

We had real hardcore sex in the shower and on the bed. He kissed my nipples and my body and then started to suck and lick my wet pussy.

Then he fingered me very quickly until I orgasmed and juices dripped down my leg.

Then I got hold of his lovely erect cock and sucked him off for a long time. Eventually he groaned and spunked over my face and body.

When he was hard again he drove his big cock deep inside my pussy. He pumped in and out quickly and we were both screaming like hell and really enjoying it.

In bed we had a 69, did it doggy-style, with me on top, him on top and we were at it for two hours. We both felt happy, relaxed, sexy and very horny.

After we had had sex we cuddled up to each other and fell asleep naked in each other's arms.

We kept seeing each other every day and started to get together properly. Now we are living together and our sex life is still great. He says I am the fuck of the century! I hope Escort readers enjoy reading this story and looking at my pictures in this great mag.

Now we would love to meet a bi-female or a couple for a three or foursome.

I'd love to make passionate love to a woman for the first time while Nick watches and then joins in.

I hope that day comes very soon! Perhaps readers can help!

### The Birthday Bumps!

My name is Paula and I just love sex. In fact, I think I was born to fuck.

Gangbangs, threesomes, sex with strangers – I just can't get enough. If this makes me a slapper, then all I can say is I'm proud to be a slapper and give me more!

My husband Paul knows that I shag around and he does too. We fuck other partners but together we make lush lovely love.

I like watching Paul fuck other women as much as he likes to see me being fucked by other men.

For my last birthday he promised me a really special night. I knew it would

involve sex, but was I in for a surprise!

Paul told me we were going to a party, but when we arrived there were about 30 blokes there and, surprise surprise, only one piece of pussy – me.

I was not intimidated, but already I felt my sex hormones raging and my pussy twitching. My hubby started to introduce me to all his friends.

But I told him to skip the formalities because I was only interested in their cocks. So after a couple of drinks a mattress was produced in the middle of the living room floor.

This excited me even more. Not only was I going to get a whole load of cocks, I was

# KIAH

It's an understatement to say that newcomer Kiah blew us away when she rocked up for her debut shoot with Paul Raymond, just take a look at her photos if you don't believe us. "I've been doing the online and digital channels but this is the first time I've been published in print. I feel honoured to be asked and the whole experience was nothing like I thought it would be, in a really good way. I was so nervous being in front of a cameraman telling me what to do and how to pose. I thought I was going to be too nervous and chicken out because it's very different to the other stuff I do. By the time it was all coming to an end I was so comfortable and horny I could have fucked the photographer right there and then. I wonder if he would have pounced on me if I'd asked. Maybe if I'd flirted a bit harder and made it a bit more obvious. I guess I've let the cat out of the bag and now he knows what my intentions were. I'm already looking forward to the next time I do a shoot for the magazine, I hope he is too!"

We're loving the pink underwear Roxee, it's not that often that we get girls wearing bustiers in Escort, it's more of a Mayfair thing! "I love getting dressed up in sexy gear, especially a bustier and stockings. There's no better feeling than getting fucked with my underwear still on. Move my knickers to one side or rip them, I really don't care!"

# REAL WIFE SEX

I JUST LOVE UP DIRTY STORIES!!!

I am a female journalist working for a very well known daily paper. I've got a story that my editor certainly wouldn't print, so (as I've been a fan of your True Confessions page ever since I found my ex-boyfriend's stash of Escort a few years ago!), I've decided to send it to you. Last Friday, I was sent to interview an American rock band who are currently over here recording their new album (sorry, no names or I'll be out of a job!). I'd arranged to meet them at a London hotel, but only the singer and guitarist could be bothered to show up. They are known for their 'rockstar behaviour', and I guess they'd had a pretty wild night the night before.

I am a female journalist working for a very well known daily paper. I've got a story that my editor certainly wouldn't print, so (as I've been a fan of your True Confessions page ever since I found my ex-boyfriend's stash of Escort a few years ago!), I've decided to send it to you. Last Friday, I was sent to interview an American rock band who are currently over here recording their new album (sorry, no names or I'll be out of a job!). I'd arranged to meet them at a London hotel, but only the singer and guitarist could be bothered to show up. They are known for their 'rockstar behaviour', and I guess they'd had a

pretty wild night the night before. I didn't like them or their music, but the singer (who I'll call Matt, as it's not a million miles away!) was very charming and polite to me, even if the guitarist

seemed half asleep. I asked all the usual crap about their plans, fans and misdemeanours while the singer flirted with me over a few bourbon and cokes. By the time I'd got enough info. I was a bit pissed and it wasn't even lunchtime yet, so I accepted an invitation to Matt's suite in order to hear an exclusive couple of mixes of their new songs. When we arrived, the guitarist

collapsed in a heap on the armchair while Matt lined up his demo and sat next to me on one of the beds. He handed me another drink, then casually put his arm round my shoulders.

Normally the thought of some slimy, long-haired rocker touching me would have had me running for the door. I don't know whether it was the alcohol or the fact that I hadn't had a boyfriend for a while, but I found myself responding to his attentions and we were soon snogging like a couple of teenagers on the bed.

I was wearing a smart business suit, tights and knee-length boots, as I'd wanted to let the band know I was a professional, not another trendy music journo or fan that would hang on their every word. For some reason, Matt seemed to find this a real turn on. "You look like you work in a bank, babe," he drawled as he slid his hands up my skirt and fondled my arse through my tights. This guy was making me wet, and the fact that he was, in my estimation, a low-life, just made me all the more horny.

"What the fuck is this tights shit?" He moaned, desperately trying

to get a hand inside the restrictive waistband of my nylons, but failing miserably.

"Rip them off, then!" I heard myself reply, as I wriggled my skirt down my thighs and over my boots before spreading my legs over the edge of the bed.

He sat up and grabbed a handful of the black nylon material covering my pussy and pulled, lifting my arse off the mattress.

With a loud ripping noise, the crotch of my tights gave way under the pressure and a gaping hole appeared around my shaven haven. Of course I wasn't wearing any knickers underneath my tights - VPL, and all that. For an instant Matt just gawped at my pussy. I must say the excitement I felt at his display of animal lust made me want to fuck the creep more than ever before.

"You bastard," I scolded pathetically as I opened my thighs wider, feeling the sticky lips of my twat part before his eyes. Matt slipped his hands beneath the torn nylon and lowered his head towards my cunt. His greasy hair brushed my skin and I flinched as he licked along the crack of my slit, working the tip between the folds until it nestled against my clit.

He may have been a scruffy git, but he definitely knew how to go down on a girl! Sucking my pussy, he then began to flick my swollen nub from side to side and up and down with his tongue like a real pro.

His hands encircled my arse and I moaned with pleasure as his fingers strayed between my cheeks and rested on the taut entrance to my butt.

This was ridiculous! He'd only been licking me for a couple of minutes but as he gently wriggled a finger into my arse, too, I came like a fucking volcano, bucking against his mouth as waves of pleasure coursed through my snatch, then throughout my entire body. I needed cock inside me urgently, so I pushed Matt off me onto his back, straddled his chest in a 69 position, yanked open his leather trousers and stuffed his semi-erect prick straight in my mouth. It swelled to its full potential instantly as I sucked it hard towards the back of my throat, all the while squirming my naked wet gash against

Matt's chest.

He was pretty big, and as I slurped his knob in and out, gripping his balls in one hand, I could feel him pulling at my tights again. The material ripped easily under the attentions of his dirty, long nails; he tore hole after hole up and down my legs as I licked and sucked away for all I was worth.

His tongue suddenly darted into my anus, straining to push deeper against the taut little muscle. I swallowed his meat till my lips brushed his balls, feeling his swollen helmet push deep into the soft flesh at the back of my throat. Keeping his entire rod in my mouth, I sucked and licked as much as I could until his prick was utterly inflexible.

I felt him tense a second before the first jet of sperm splattered against the back of my throat, and only by gulping frantically could I avoid his spunk squirting from my mouth all over his crotch. Matt grunted like the uncouth beast he was, his tongue still wedged in my arse as his dick slumped from my mouth, leaving me with a gob full of cum and another climax on the way. After recovering my composure, we had another drink and I removed my torn tights, which Matt bizarrely wanted to keep as a trophy. It was fine by me, even though I gave the guest passes he gave me for his next gig to a friend. Hey, just because I enjoyed the taste of his cock it doesn't mean I have to share his taste in music!

going to have a whooping audience as well I danced to the music as I slowly stripped off and so did they. In the excitement it seemed as if I was surrounded by a wall of lovely stiff cocks. After a few minutes of teasing and tomfoolery a big coloured guy, to my relief, took the initiative. He pushed me down onto the mattress. My ankles and wrists were grabbed by the other men and I was spreadeagled on the mat-tress. I felt totally vulnerable and open. Not for long though. He was on me like a predator on its prey. His cock slipped up me as if it was a cruise missile homing in on its target. He must have been overexcited, as he shot his load within a minute or two. But as soon as he withdrew he was replaced by another hard cock.

another cock off at the same time, but my body was so wracked with pleasure all I could do was quiver. I must have been doing something right, though, because the cock that was in my mouth suddenly exploded straight down my throat. Now I had good creamy male spunk in all my important places. This night of wanton fucking carried on all night. I couldn't tell you how many men fucked me that night, but it was fantastic. I don't think I will ever get tired of sex in all its forms. I have also developed a taste for being butt-fucked – it's lush.

Ram, ram, spunk! It turned into a night full of wham, bam, thank you mams, but when you get one after another it means a lot of arse gripping orgasms. ## The Pleasure Dome!

As an avid Escort reader I just had to write in and share a sexual adventure my partner and I had. One night last summer my partner and I went out for a couple of drinks. We sat

in a dark corner of the pub. Before long we had started touching each other. His hand slid up my dress and started rubbing my clit. My pants were getting really wet but I was loving it. I started to rub his straining crotch. The bulge in his trousers was very noticeable. He started to work his fingers

in and out of my cunt. It was heavenly! We were both feeling very horny by now and the thrill of doing it in public turned us on even more. After a while we left the pub and got into the car. We drove around looking for a place to park up – I badly wanted fucking. We came to an empty field, turned in and stopped the car. I had been frigging myself frantically all the time we were driving. Juice was dripping out of me and my man was getting extremely turned on as he watched me wank. I got out of the car and started dancing exotically in the glare of the headlights. I undid my red coat before slowly removing my dress. There I was in the middle of a field in just my sexy stockings and suspenders and I didn't

You can take a woman out of the kitchen, but you can't stop her being a freak in the bed! "I don't need a fucking bed, I'll fuck anywhere! And I have!" So, what's the craziest place you've ever dropped your panties? "Oh, that's impossible! I've done it everywhere. But, I guess the craziest place was on one of those extendable things that you queue on just before you get on the airplane. We'd been waiting two hours to get on the flight and I was as horny as fuck. My boyfriend lifted up my skirt and fucked me from behind (really slowly) whilst we were surrounded by people. I pretended to be bent over looking through my bag. I'm sure there was one guy watching us, he knew what was going on!"

"So, here's my wife, she's always had a fascination with swinging, it's not my idea of fun! But, if I'm going to be able to keep hold of her I'm going to have to have a threesome with her and another man. I think we can agree that she's really hot!"

My wife is a pretty bad cook, which is OK with me because she more than makes up for it by being a really good fuck in the kitchen. She can't chop the vegetables on the worktop for shit, but she certainly knows how to bend over it and take a hard one right up the arse!"

"The photographer makes us hold one of these silly colour charts up before every photo shoot! Not sure what it's for though?" It's to make sure that the colour balance is correct when the magazine gets printed. It means that the readers can see the exact colour of your pink pussy when you open your lips wide open. Nice to have something staring back at us in the mirror that's totally clean-shaven. Carmel's cunt has been plucked to perfection and she wants to see how it looks. "I like to use mirrors in sex all the time. I'm fascinated seeing my pussy slide down then swallow up a big thick cock shaft!" We would be too, is that an invitation?

"I've got a bit of a reputation in my home town in Wales," Penelope tells us. "It appears that after all of the practice I've been getting with the local lads all of the girls have labelled me as the town slag. It doesn't bother me though because I love fucking guys and I don't really like girls anyway. I prefer to be the submissive one when it comes to sex, I let the guys do whatever they want to do to me, there are no limits. My favourite thing is probably having my hands tied behind my back and having my mouth fucked."

care if I was seen. I carried on frigging myself till I was wet and dripping. He came over and started licking my pussy until I had a multiple orgasm. Then he stood up and I unzipped his trousers. I pulled his big cock out and started sucking it hard. I sucked his helmet and the length of his shaft. He was groaning with pleasure and his cock was growing harder by the second. I desperately wanted it up me. He slipped his fingers up my arsehole and started

pumping them in and out. I was in ecstasy, screaming and groaning and begging for more. "Fuck me you swine!" I shouted. He slid his cock inside my dripping pussy. Then he thrust so hard I screamed even louder. He was all the way inside my pussy and I could feel his balls banging against my arse. "You're a dirty little bitch – and you're loving every minute of it, aren't you!" he said.

We were moving in perfect time and my pussy was ready to burst. I couldn't hold back any longer and I yelled out and came all over the place. My arse was wet and dripping with cum but I just couldn't stop. Then with an almighty thrust, his spunk filled my pussy, burst out of its entrance and ended up dripping down my legs and quivering arse.

I licked our mingled sex juices off his cock. After a breather he got his camera out and took a few shots to remind us of our special night. When we got home we were feeling horny all over again and got back in the saddle! My partner has promised if this letter is printed we can do it again, so please make my day!
